Our Commitment

Ontario will have a regulatory framework in place that allows licensed charities to use a computer for the:

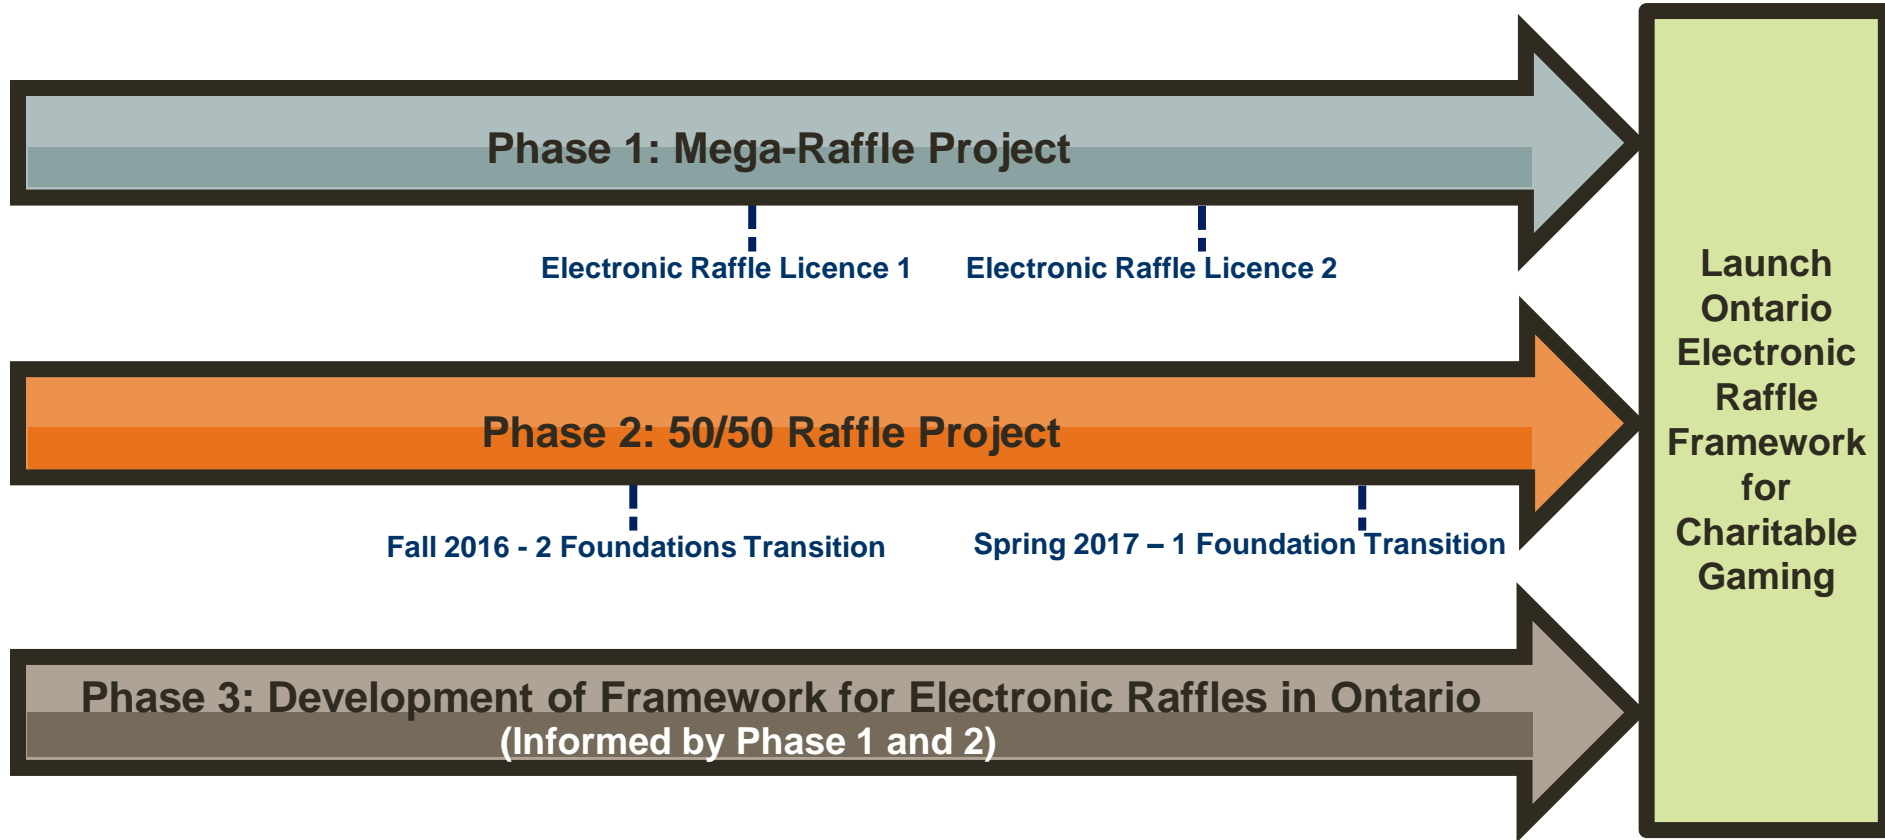

- sale of a ticket,
- selection of a winner and/or the
- distribution of a prize in a raffle,

and ensures that gaming activities are carried out with integrity, honesty, and in the broader public interest.

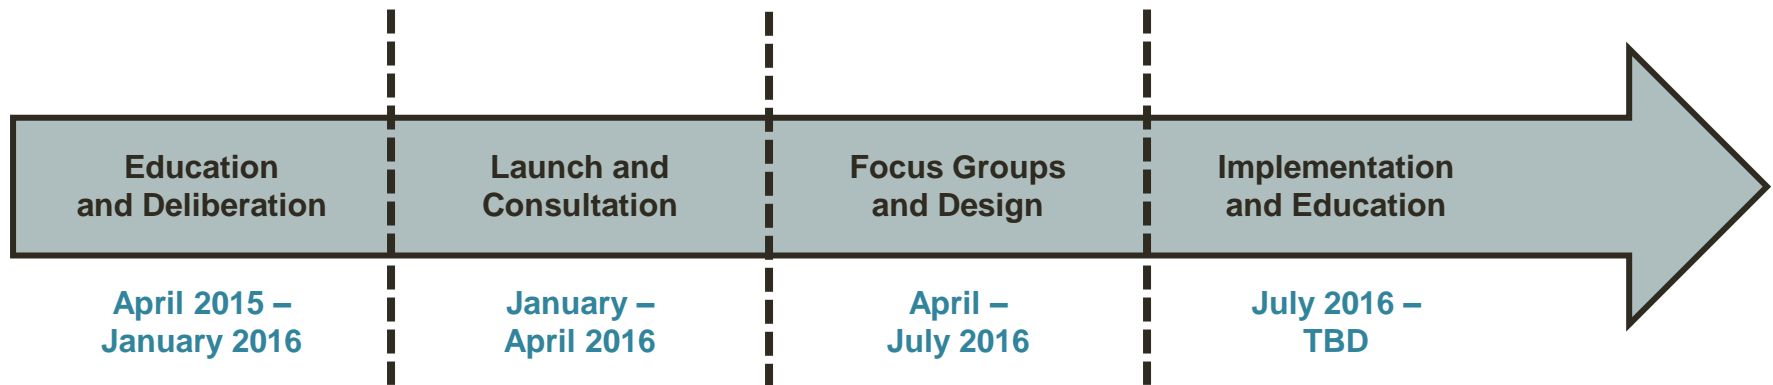

Guiding Principles

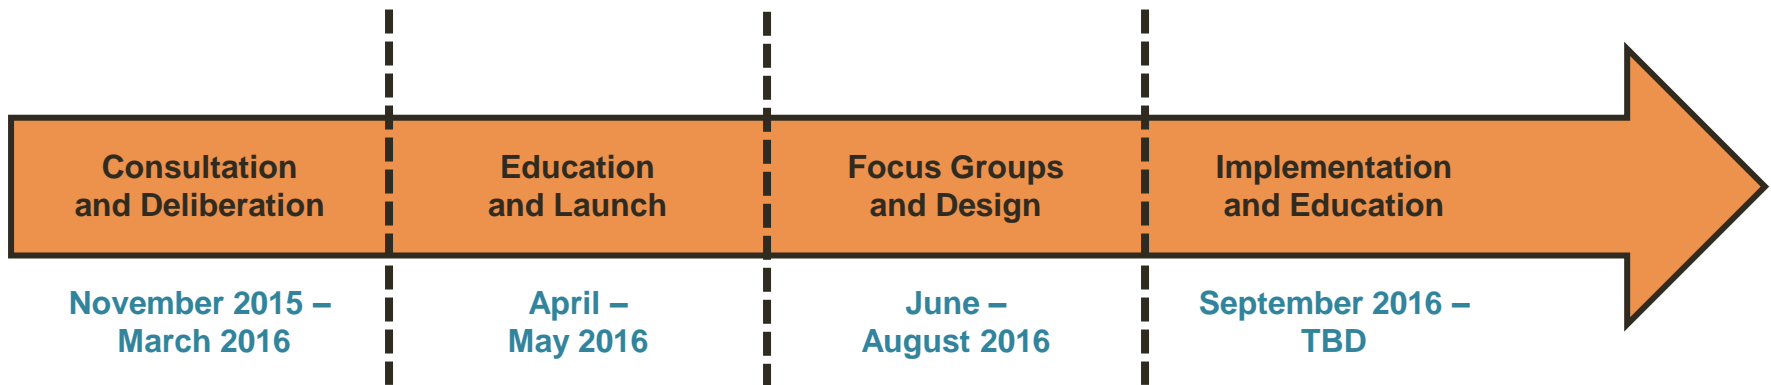

Phased Approach

Phase 1: Mega-Raffle Project

Phase 2: 50/50 Raffle Project

Phase 3: Electronic Raffle Framework
